

Tour The Silicon Forest and Portland's Nanotechnology Research and Commercialization Centers April 30, 2012

This year's RSL local tour will be hosted by the Oregon Nanoscience and

ONAMI
OREGON NANOSCIENCE AND
MICROTECHNOLOGIES INSTITUTE
www.onami.us
discover • develop • deploy

Microtechnologies Institute (ONAMI).

We invite you to take a scenic and educational

tour of Oregon's Silicon Forest visiting FEI Company and Intel Corporation followed by lunch at the Historic Cornelius Pass Roadhouse. After lunch we will return to Portland and visit the Portland State Business Accelerator (PSBA) where you will learn about ONAMI's GAP commercialization program and visit with rising nanotechnology companies. The tour will close with a visit to Portland's downtown nanotechnology characterization center at Portland State University"

8:45 am – Coffee and Voodoo Donuts at the Embassy Suites Hotel

9:00 am Transportation to the Nanoport at FEI Company and Intel's D1X Fab

Lunch at the Cornelius Pass Roadhouse

Break Return to Portland and Hotel at 2pm

3:00 pm Transportation to the PSBA to experience nanotechnology commercialization in action and tour the CEMN

5:00 pm Return to Hotels

Agenda details provided upon registration
